This year will be the 5th annual PA Community Alliance Summit! Please join us for a fantastic workshop: Teaming- Releasing the Transforming Power of Coalition Building; conducted by the National Coalition Building Institute of Rochester, NY. Utilizing a series of interactive sessions, the workshop will educate on forming strong partnerships and collaborations, and creating welcoming communities. We will also highlight and hear from amazing PA organizations and projects. We will create spaces for meaningful discussions. And as always, you do not want to miss the fun and intentional networking activities the first evening to support meeting new allies and colleagues from across PA.
